Wild Sea

There's an ocean so vast in the depths of my heart
Where waters run untamed and free
The currents they swirl, some run hot, some run cold
Forever controlling my dreams, while my heart sleeps

This wild sea inside of me,
This wild sea will ever be
This wild sea inside of me,
This wild sea will ever be
A part of me

How sweetly it shines when the weather is fine
The waves ripple brightly and clear
But when the storm breaks, the Kraken awakes
And he'll drag you down into his lair
So beware

This wild sea inside of me,
This wild sea will ever be
This wild sea inside of me,
This wild sea will ever be
A part of me

The tides ebb and flow, wheresoe'er I may go
From hilltop to faraway shore
But no matter the place, the time or the space
I'll always hear your siren call
Whene'er I fall

This wild sea inside of me,
This wild sea will ever be
This wild sea inside of me,
This wild sea will ever be
A part of me
