

Safavid Polychrome Pottery Dish

Circa: 17th Century

Iran, 17th Century

19.5cm diameter

Stock no.: A5172

This rare octagonal pottery dish has brown and white quatrefoil cartouches which enclose stylised vegetal scrolling design. The background is decorated with blue and white scrolling leaf motifs with a geometric border. The flange has a blue border in a zig-zag format. The outer flange is divided into eight brackets with a stylised cross pattern. There is a pseudo-Chinese mark on the base.
