

# AMIR MOHTASHEMI

## **Indian Dagger**

India, 19th century

Banded agate, steel, silver

25 cm long

Stock no.: A6235

An Indian dagger with an elegant banded agate hilt of typical of typical *kard* form and slightly recurved watered steel blade more typical of the *pesh kabz*. A suspension ring is affixed to the pommel. The hilt and blade are attached via a blackened steel bolster, which is decorated with floral gold *koftgari* inlay.
